Welcome to Maytree, The Weir Link and Tree House Children's Centres, a place where local families with young children can go and enjoy facilities and receive support that they need. We offer many sessions with fun activities and services all year round. Our staff are fully trained to deal with individual needs a child might have, and we work with many partners to ensure we can support families in whatever area they need, for example housing issues, challenges that you have in bringing up your child, disabilities, jobs, work, training, childcare, benefits and more.

Most sessions are free but we ask if you could please bring a piece of fruit to share
