

## Early years Pupil Premium at Triangle

'The early years pupil premium (EYPP) is additional funding for early years settings to improve the education they provide for disadvantaged 3 and 4-year-olds.' DfE, 27th Nov 2014

This document gives you information on the previous school year and the current year. This includes how we spent the EYPP at Triangle, and the impact it has had on the children.

<b>Total income from EYPP (Autumn 2016- Sum 2017)</b>		<b>£5738.00</b> Autumn 2016 £1510.50. Spring 2016 £2014.00. Summer 2017 £2416.80.	
<b>Service provided</b>	<b>Focus of service</b>	<b>Cost (£)</b>	<b>Impact on children and families</b>
Understanding how the children's level of well-being and involvement impacts on children's ability to learn and develop	Leuven scales training at the Early Excellence centre	£125.40	Environment will enable to children to succeed in their own explorations.
Children needing additional support in transitions. In particular at lunch-time, where an additional adult will be able to support children in their personal, social and emotional development	Meals supervisor to support individual children	12.50 per hour x 2 hours x 25 weeks = £625.00	Lunch sessions will be calmer. Adults serving lunches will be able to have time to focus on all children's needs, rather than those who find the experience difficult to manage.
To be able to communicate to a child whose parents both have hearing impairment, about their child's progress, and how to support their children's learning and development at home	Signer to attend the setting once a term to sign	£60 x 3 = £180.00	The children's progress will be shared with parents/carers. Next steps in their learning and development.
Lambeth Music Therapy - to support children with various challenges to their learning and development e.g. selective mutism, emotional and behavioural, attachment	Children and their families having access to music therapy to support children's attachment and well-being.	£3250.00	The children and the family members who have access to this service have seen progress in their child's development. Feedback from families are evidence of this statement. We have seen progress in children's participation, and peer relationships.
In-house music sessions - as above	Providing cover for a staff member to support additional music sessions led by the EYE above.	£630.00	10 sessions. Previous sessions have had an impact on children's settling.
To support parents/carers understanding of how children's negative behaviours can affect their child's learning and development	Triple P/behaviour strategy sessions for parents/carers	£1180.00	Children who have consistency in behaviour expectations seem to be more confident, this then has a positive impact on their learning and development.
<b>Total spend</b>		<b>£5990.40</b>	

## Information on 2017-18

<b>Predicted income from EYPP (Sept 2017-July 2018)</b> (£302.10 per child per yr for 570 hrs)		Aut Census - 14 ch on FSM = £1409.80 Sp term additional 3 ch on FSM = £1711.90 Sum term additional 0 children on FSM = £1711.90 <b>Estimated total for year £4833.60</b>	
<b>Main barriers to educational achievement</b>	<b>Focus of service and why this approach is used</b>	<b>Cost (£)</b>	<b>Effect on children and families to be measured (including non-EYPP children)</b>
Understanding how the children's attitudes and confidence in learning and gaining new skills impacts on children's development.	Characteristics of Effective Learning training at the Early Excellence centre	£140.00	New resources and layout in the environment will enable to children to succeed in their own explorations and have access to a wider range of open ended resources.
Children needing additional support in transitions. In particular at lunch-time, where an additional adult will be able to support children in their personal, social and emotional development	Meals supervisor to support individual children	12.50 per hour x 2 hours x 35 weeks = £875.00	Lunch sessions will be calmer. Adults serving lunches will be able to have time to focus on all children's needs, rather than those who find the experience difficult to manage.
To be able to communicate to a child whose primary carer is mute and deaf, about their child's progress, and how to support their children's learning and development at home	Signer to attend the setting once a term to sign	£60 x 3 = £180.00	The children's progress will be shared with parents/carers. Next steps in their learning and development.
Lambeth Music Therapy - to support children with various challenges to their learning and development e.g. selective mutism, emotional and behavioural, attachment	Children and their families having access to music therapy to support children's attachment and well-being.	£3250.00	The children and the family members who have access to this service have seen progress in their child's development. Feedback from families are evidence of this statement. We have seen progress in children's participation, and peer relationships.
Some children not accessing the library and not sharing books at home. Children needing extra support in their communication and Language development.	Replenishing core books and updating resource packs for the library to ensure all children in receipt of EYPP are taking home books to share.	£400	All EYPP children will access the library and have taken home books and resource packs. Leavers' Questionnaire - include 'effectiveness of library' to ascertain ways of improving future use.
	Total spend	£4845.00	
<b>Date of EYPP strategy review</b>
